5th UIC World Congress on Rail Training 2019

Unite, Inspire, Connect

Rabat, MOROCCO

09-11 October 2019

EVENT OVERVIEW

Following the success of the previous editions of the World Congress on Railway Training (WCRT) held in Madrid in 2011, St Pölten in 2013, Lisbon in 2015, and Berlin in 2017 (Recording per edition an average of 200 participants from all the continents thus representing between 30 and 40 countries), the International Union of Railways (UIC) and its partners the Moroccan National Office of Railways and the Railway Training Institute organize the fifth edition of the UIC World Congress on Railway Training to be held from 09 to 11 October 2019 in Morocco in Mohammedia School of Engineers (EMI), Rabat.

The 2019 World Congress on Railway Training is organized under the initiative of the Development Platform UIC Expertise that gather its know-how from Regional Railway Training Centers network.

The main objective is to promote Workforce development by the sharing of best practices in railway training across the railway industry.

The organization of this Congress will allow the various professionals of the sector :

- ✓ to share best practices in education, training and human resource development ;
- ✓ to become aware of new technologies and innovative systems as well as methods to promote effective teaching;
- ✓ A modal networking which will also lead to the expansion and strengthening of networking at the international level among professionals and training and development organizations.
